TURN LIFELESS WALLS INTO FINE ART

Wall panelling evokes style and ambience to any interior, from the grandest of Victorian and Edwardian properties, to modern new builds. Wall panelling is the perfect way to add charisma to any interior. instafixMOULDINGS is just the right solution that transforms a bland entrance into a grand entrance and turns a life-less room into a living room. Whether you want to create a wainscoting style or add frames to your ceiling or walls, our mouldings will create a charming and authentic finish combined with the features of being lightweight, durable, waterproof, easy to fix and ready for that final coat of paint.

SUPER EASY TO FIX, JUST GLUE DOWN

Using our mouldings, you can create your own size panels to fit any room, providing you with flexibility to design the wall panelling of your dreams. Easy to cut and fix using our versaGLUE adhesive makes the process of fitting super simple and quick. Simply just apply adhesive and paste the mouldings for a nail free finish.

PRIMED & READY TO PAINT

Instafix offers a tailored solution with next to no effort. Pair it with the paint colour of your choice to really make your walls stand out ! Our mouldings are pre-primed and ready for that final coat of paint. Creating wall panelling is now easier than ever and that too at a great price !
